continue to closely monitor any material changes arising of future economic conditions and impact on its business.

3) The COVID-19 has impacted normal business operations of the Company. Necessary precautions to ensure hygiene, safety and well-being of all our employees at the office have been implemented. The Company has considered the possible effects COVID-19 may have on the recoverability and carrying value of its assets. Based on current indicators of future economic conditions, the Company expects to recover the carrying amount of these assets. The situation is changing rapidly giving rise to inherent uncertainty around the extent and timing of the potential future impact of the COVID-19, which may be different from that estimated as at the date of approval of these results. The Company will
