Company at their respective meetings held on 30 May 2018. Figures for the quarter ended 31 March 2018 and 31 March 2017 are balancing figures between audited figures in respect of the full financial years and the unaudited figures upto the third quarter ended 31 December for respective years which were subjected to limited review

The Company adopted Indian Accounting Standards (Ind AS) from 1 April 2017 and accordingly these financial results have been prepared in accordance with Ind AS, notified under section 133 of the Companies Act, 2013 read with the relevant rules issued thereunder and the other accounting principles generally accepted in India. The date of transition to Ind AS is 1 April 2016. The impact of transition has been accounted for in opening reserves and the comparative period results for quarter and year ended 31 March 2017 have been restated accordingly.

The Government of India introduced the Goods and Service Tax (GST) with effect from 1 July 2017, GST is collected on behalf of the Government and no economic benefit flows to the entity and hence gross revenue under GST regime is presented excluding GST as per Ind AS. However, gross revenue under pre-GST regime included Excise Duty which is now subsumed in GST. Consequently, the figures for the quarter and year ended 31 March 2018 are not comparable with quarter and year ended 31 March 2017.
